Hon'ble P.C. Pant, J.

Heard learned counsel for the petitioner.

By means of this writ petition the petitioner has sought transfer in a particular District and in one of the particular Schools.

The Court is not supposed to do the work of a administrative Department by directing that the teachers be posted in a particular School and in a particular District. The writ petition is devoid of merits. The same is dismissed with the observation that the representation dated 26/6/2003 the department authorities be disposed of sympathetically.
